1. Introduction

This document is the User Manual of the **MUM Online Test System**. MUM Online Test System is used for job-seeking students to help review the interview questions (for example, Java and JavaScript).

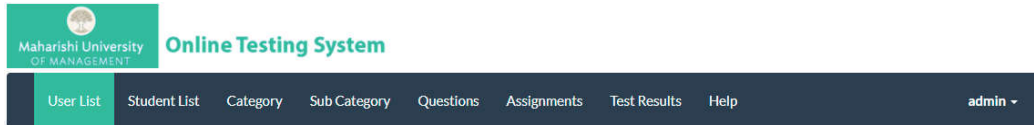

There are 4 types of roles in the system: **Admin, DBA, Coach and Student**. You could find who you are in the right corner of the window.

Admin, DBA and Coach are the administrators of the system, which are usually handled by university staff. Student means the MUM students who are doing job seeking, which will take part in the test once they receive the test link from email triggered by university staff from whom that holds the Coach Account.

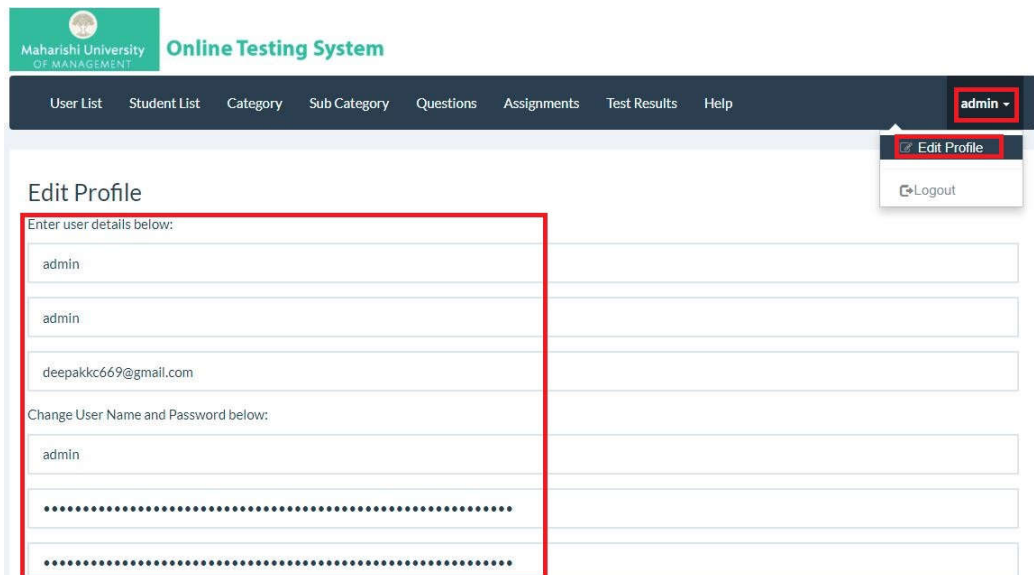

2. Admin Manual

Admin user is the super user of the system. Please check the function of the Admin User below:

2.1 Edit Profile

As an admin you are able to edit your own profile including changing your password.

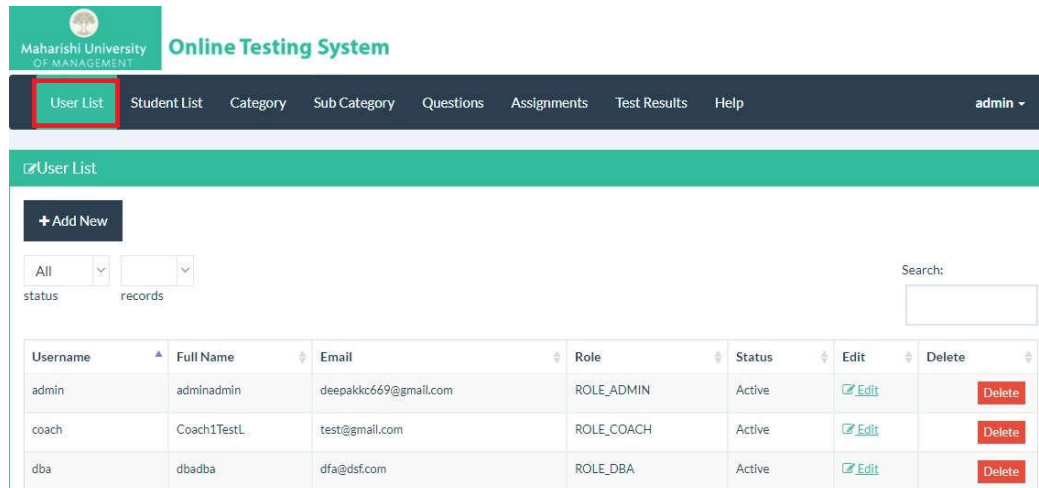

2.2 Manage Users

Admin user could manage all the other 3 types of users (Coach, DBA and Student).

2.2.1 Check Existing Users

You could check the users that are already stored in the system. Reminder: Users here concludes all Admin, Coach and DBA users.

985066	Stu06 Trouble	test6@mum.edu	January 2017	Active	Edit	Delete

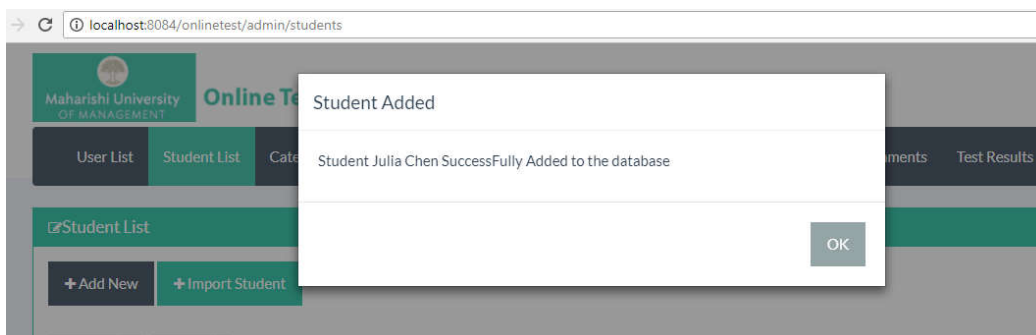

2.3.2 Register New Student

Click the **Add New** Button under **Student List** Menu

Input the student information

Click **Submit** Button, system will save the added Student.

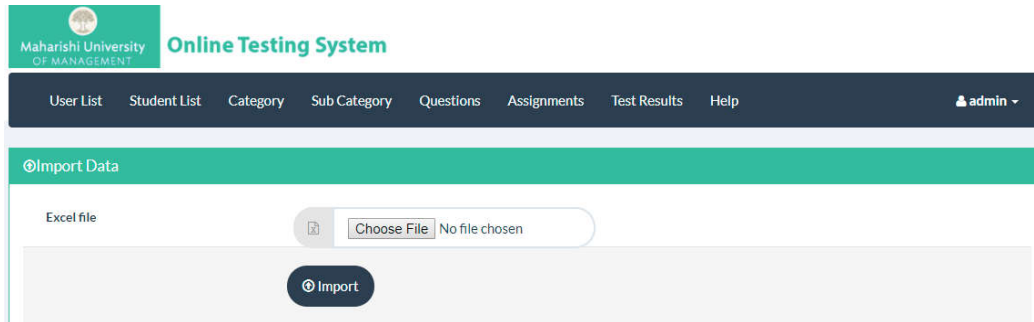

2.3.3 Import Students by Excel File

You could import a big amount of students by using **Import Student** Button.

Click the **Choose File** button.

Get ready for the file with the format shown below:

Student List Data columns.xlsx						
	A	B	C	D	E	F
1	Student-ID	First Name	Last Name	Email	Entry Year	Job Search Status
2						
3	981234	Joseph	Anderson	janderson@gmail.com	2017	Active

2.4 Manage Categories

Every question belongs to a **Sub Category**, and each Sub Category belongs to a **Category**.

2.4.1 Check Existing Categories

You could check the existing categories

The screenshot shows the 'Online Testing System' interface. The top navigation bar includes 'User List', 'Student List', 'Category', 'Sub Category' (highlighted with a red box), 'Questions', 'Assignments', 'Test Results', and 'Help'. Below the navigation bar, the 'Sub Category List' section is visible. It features an 'Add New +' button, a search bar, and a table with columns for 'Sub Category', 'Category', and 'Delete'.

Sub Category	Category	Delete
C#	DOT Net	Delete
Core	Java	Delete
Hibernate	Java	Delete

2.4.2 Add Categories

The first screenshot shows the 'Online Testing System' interface with the 'Category' tab highlighted in the navigation bar. Below the navigation bar, the 'Category List' section is visible, featuring an 'Add New +' button highlighted with a red box.

The second screenshot shows the 'Online Testing System' interface with the 'Category' tab highlighted. Below the navigation bar, the 'Create new Category' section is visible. It includes a text input field with the letter 'd' and a list of suggestions: C, C++, and C#. A 'SUBMIT' button is located to the right of the input field.

2.4.3 Check Existing Sub Categories

Each Sub Category belongs to one Category.

Import Data

Excel file

Choose File SelfAssess...ormat.xlsx

Import

Please follow the format below:

The top part of the image shows a spreadsheet titled 'SelfAssessmentQuestionsFormat.xlsx'. It contains a table with columns B, C, and D. Row 1 has headers 'Choice 1', 'Choice 2', and 'Choice 3'. Row 2 contains text: 'There are 7 primitive data types in java.', 'Primitive data types can be objects.', and 'A boolean is 8 bits in size and stores true or false. It's default value is true.' Below this is another table with columns: 'Choice 4', 'Choice 5', 'Answer Column', 'Category', and 'Sub-Category'. Row 1 of this table contains: 'The order of public and static before the main method does not matter but void should always come before mainO', 'main method()'s return type is integer', 'D', 'Java', and 'Java'.

The bottom part of the image shows the 'Online Testing System' interface. A modal window says 'Welcome to the Log for Questions Insertion' and '190 rows added out of 190'. Below the modal, a green banner says 'Success! Successfully imported Data!'. At the bottom, there is an 'Excel file' section with a 'Choose File' button and an 'Import' button.

Please follow the format below to get ready for the document you want to upload.

2.6 Check Assignments

The screenshot shows the 'Online Testing System' interface with the 'Assignments' tab selected. The 'Assignment List' section displays a table with columns: No, Coach, StudentID, Full Name, Entry, Email, Date Assigned, Date Finished, Try, Status, and Report. The table is currently empty. Above the table, there are filters for 'ALL' status and a search bar. The date and time are shown as '20-10-2017 21:24:44 PM CDT'. An 'Export' button is also visible.

2.7 Check Test Results

The screenshot shows the 'Test Results' page. At the top, there is a navigation bar with links: User List, Student List, Category, Sub Category, Questions, Assignments, Test Results (highlighted), and Help. On the right of the navigation bar is a dropdown menu labeled 'admin'. Below the navigation bar is a green header with 'Student Test Score' and an 'Export' button. Below this is a search bar with a dropdown menu and a search input field. Below the search bar is a table with the following columns: No, Coach, StudentID, Full Name, Entry, Email, Date Finished, and Score. The table is currently empty.

3. DBA Manual

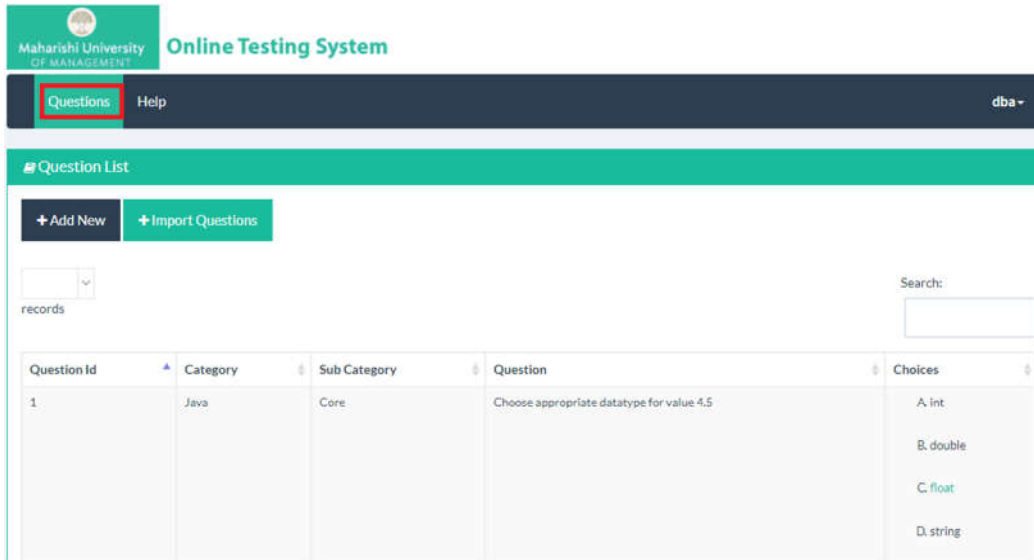

3.1 Edit Profile

As a DBA you are able to edit your own profile including change your password.

The screenshot shows the 'Edit Profile' page. At the top, there is a navigation bar with links: User List, Student List, Category, Sub Category, Questions, Assignments, Test Results, and Help. On the right of the navigation bar is a dropdown menu labeled 'admin'. Below the navigation bar is a green header with 'Online Testing System'. Below this is a form titled 'Edit Profile'. The form has two sections: 'Enter user details below:' and 'Change User Name and Password below:'. The 'Enter user details below:' section has three input fields: 'admin', 'admin', and 'deepakcc669@gmail.com'. The 'Change User Name and Password below:' section has three input fields: 'admin', a password field with dots, and another password field with dots. On the right side of the form, there is a dropdown menu with 'Edit Profile' (highlighted) and 'Logout'.

3.2 Manage Questions

3.2.1 Check the existing question

The screenshot shows the 'Online Testing System' interface. The 'Questions' tab is selected and highlighted with a red box. Below the header, there are buttons for '+ Add New' and '+ Import Questions'. A search bar is present on the right. The 'Question List' section displays a table with the following data:

Question Id	Category	Sub Category	Question	Choices
1	Java	Core	Choose appropriate datatype for value 4.5	<ul style="list-style-type: none">A. intB. doubleC. floatD. string

3.2.2 Add a New Question

The screenshot shows the 'Online Testing System' interface. The 'Questions' tab is selected and highlighted with a red box. Below the header, there are buttons for '+ Add New' and '+ Import Questions'. The 'Add New' button is also highlighted with a red box. The 'Question List' section is visible but empty.

4.6 Check Test Results

5. Student Manual

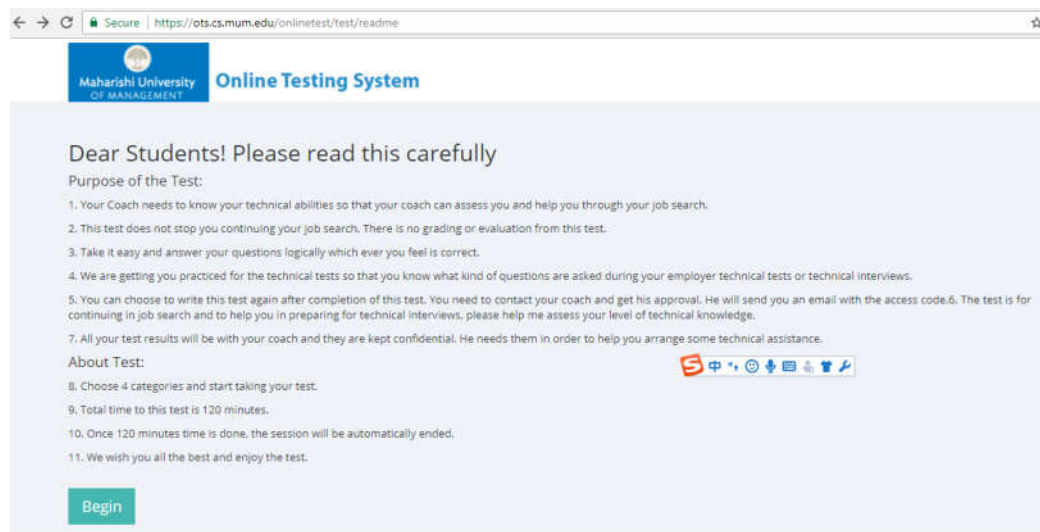

5.1 Take the Test

As a student who is doing job seeking, every now and then **Coach** will generate some online test to help you find the weak point of your knowledge tree. All you need is to follow the guide below:

After the coach generates the test, you will receive the link and Access Code in your email:

Click the link, and you will see the guidance:

The screenshot shows a web browser window with the URL <https://ots.cs.mum.edu/online/test/readme>. The page header includes the Maharishi University of Management logo and the text "Online Testing System". The main content area has a light blue background and contains the following text:

Dear Students! Please read this carefully

Purpose of the Test:

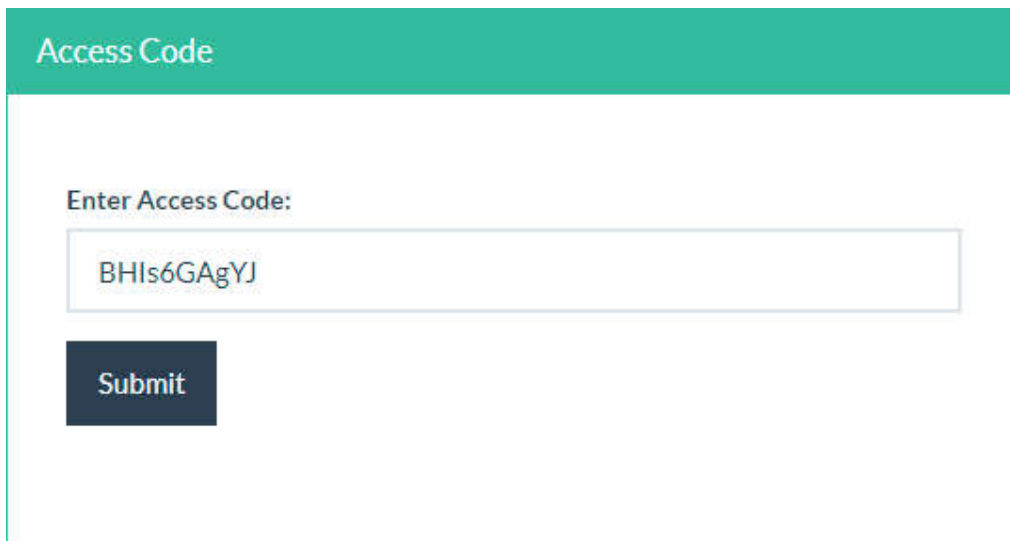

1. Your Coach needs to know your technical abilities so that your coach can assess you and help you through your job search.
2. This test does not stop you continuing your job search. There is no grading or evaluation from this test.
3. Take it easy and answer your questions logically which ever you feel is correct.
4. We are getting you practiced for the technical tests so that you know what kind of questions are asked during your employer technical tests or technical interviews.
5. You can choose to write this test again after completion of this test. You need to contact your coach and get his approval. He will send you an email with the access code.6. The test is for continuing in job search and to help you in preparing for technical interviews. please help me assess your level of technical knowledge.
7. All your test results will be with your coach and they are kept confidential. He needs them in order to help you arrange some technical assistance.

About Test:

8. Choose 4 categories and start taking your test.
9. Total time to this test is 120 minutes.
10. Once 120 minutes time is done, the session will be automatically ended.
11. We wish you all the best and enjoy the test.

A "Begin" button is located at the bottom left of the content area. To the right of the "About Test" section, there is a small toolbar with icons for search, print, and other functions.

Input the Access Code shown in mail:

The form has a green header with the text "Access Code". Below the header, the text "Enter Access Code:" is displayed. A text input field contains the access code "BHIs6GAgYJ". Below the input field is a dark blue "Submit" button.
